Summer 2022

A Message from the Mayor

It is officially summer in Indian Hills; I hope everyone has a safe and happy summer vacation. Remember to sign up for a house watch if you are leaving town for an extended period.

We have been busy with the recent storms that have blown through the city, we lost six large trees in the last storm that blocked our roads and shut down power in some areas. I apologize if you were one of those inconvenienced by the storms; we contract with Cornerstone who puts Indian Hills at the top of the list for tree removal, they clear the roads first, then they will come back for clean up later.

With the hot weather Eco-Tech has asked us to place our garbage and recycle bins out early on Wednesdays or Tuesday evenings. Their workers will be starting earlier to try to avoid the hot afternoon temperatures.

We continue to get calls about residents cutting their grass and using blowers after 6:00 PM. Please be considerate of your neighbors who want some quiet time after work. If you have a lawn service, please remind them to stop at 6:00 PM, and no work on Sundays.

Speeding in the city continues to be a problem, please make sure to watch your speed and be on the lookout for people walking and riding their bikes, especially now that summer is here. Our Indian Hills Police are stepping up patrols, especially along Indian Hills Trail.

The Octoberfest date has been changed to Sunday October 9th, due to some vendor conflicts, hopefully the weather this year will be great. I look forward to seeing all of you on October 9th.

Mayor Chip Hancock

CITY TAX RATE & BUDGET

At our June Council Meeting, the Council voted for **NO** increase in the tax rate on property taxes and to continue the 20% discount for FYE 06/2023. The tax rate will remain at 19.1¢ per \$100 of assessed value; and the 20% discount is offered if paid by December 31st as provided in Ordinance No. 3, Series 2022.

The Council also passed an annual budget for FYE 06/2023 as provided in Ordinance No. 4, Series 2022. Both Ordinances are at the end of this newsletter and on the City's website. (www.indianhillsky.org)

BRIDGE on STONEBRIDGE ROAD—Update

The rebuilding project of the bridge on Stonebridge Road is moving right along and ahead of schedule despite the unbearable heat and humidity the workers have to tend with. It may be completed prior to the original expected finish date of September 21, 2022. Once completed, it will be able to handle up to 18 Ton vehicles.

This project is part of the Bridging Kentucky Program and will be no cost to our city.

We appreciate your patience for a little while longer....

COP'S CORNER

By Chief Kelly W. Spratt

TRAFFIC ENFORCEMENT

In order to ensure the safety of our residents and citizens in Indian Hills and Rolling Fields, the Indian Hills Police Department is stepping up the enforcement of all traffic violations within our jurisdiction.

To aid us in this effort, and to prevent from being cited yourself, please remember that the maximum speed limit within the two cities (excluding Brownsboro Road, River Road, and Blankenbaker Lane) is 25 MPH. Officers will be observing for speeders, as well as those violators who disregard stop signs, red lights, and turning restrictions.

**25
SPEED
LIMIT**

CRIME PREVENTION

While this message has been passed several times, we continue to encourage everyone to follow these crime prevention tips...

- * Always lock your vehicles
- * Always remove valuables from your vehicles at night
- * Never leave your car keys or key fob inside your vehicle
- * Never leave a firearm inside your vehicle

Many of our stolen vehicles in the past few years have been involved in violent crimes throughout Jefferson County. These simple tips can prevent you from becoming a victim and will help keep the community safe.

FIREWORKS

As the country celebrates the upcoming holidays, please be courteous to your neighbors – and obey the law – by limiting your selection of fireworks to only those that are legal within Jefferson County – sparklers, snakes, trick noisemakers, and the like. Basically, any firework that flies or explodes is prohibited.

CRIME ALERT E-MAIL SERVICE

Be sure to subscribe to the Indian Hills Police Department's Crime Alert E-Mail service by visiting our website www.indianhillssky.org/police to receive crucial and time-sensitive emails regarding recent criminal activity or traffic information.

KEEPING YOU IN THE LOOP....

Trash/Yard Waste Pickup

The City of Indian Hills has been notified by our trash contractor, Eco-Tech, that due to the severe heat and humidity, the sanitation workers will be starting earlier in the morning, so please place your garbage cans and recycle bins out early Wednesdays or Tuesday evenings.

If your recycle bin or trash receptacle needs to be replaced, or your trash was missed on pickup day, you can call Eco-Tech directly at 502.935.1130. Just let them know you are a resident of the City of Indian Hills and the reason you are calling.

LG&E Tree Trimming

LG&E will be trimming trees in our City over the coming months. They are to start/may have started in the area off Travois Road, Blankenbaker Lane and over to Rudy Lane.

The second area is off Indian Hills Trail, Totem Road, Westwind Road and down to Moccasin Trail. LG&E will notify the homeowners in these areas by phone and mail prior to any trimming on their property.

Octoberfest – At the June Council meeting, after some discussion, the City Council voted to move the Octoberfest from the 1st Sunday in October to the 2nd Sunday in October due to some vendor conflicts & other local events. This year, it will be October 9th from Noon to 3:00 pm. Don't forget to save the date - hope to see you there!

Shred Event #2—There will be a second Shredding Event coming later in the year—date to be determined. We will post the date and time on our website and send out City emails. If you haven't subscribed to receive City emails, yet, please visit our website at www.indianhillssky.org.

SUMMERTIME—YAY!!

We want everyone to have a fun and safe summer, so here are some important **REMINDERS** as you begin spending and enjoying more time outdoors:

-  **Please walk on the left side of the street facing traffic, not in the middle of the road, allowing room for vehicles to go around you.**
-  **Do not let your pet run loose unless in your enclosed backyard-while walking, keep on a short leash on your left at all times.**
-  **Pick up your animals poo.... and throw the poo bag in the trash, not in your neighbor's yard or public property!**
-  **NO SPEEDING**—adhere to speed limits, stop signs & traffic restrictions—be aware of your surroundings at all times - watch for pedestrians, bicyclists and other vehicles, etc!!
-  **If riding your bike and/or your children riding bikes: for your and your children's safety, wear bike helmets; ride with the flow of traffic; and obey Stop & Yield signs.**
-  **Hours for mowing/leaf blowing by commercial lawn services are 8:00 am—6:00 pm Monday-Saturday. No commercial lawn care on Sundays.**
-  **If you don't use a commercial lawn service, please try to do your lawn work during the hours the commercial lawn services are to do their work. Be considerate of your neighbors—they don't want to hear the lawn mower or leaf blower while they sit on their patio or deck.**

OUR ENVIRONMENT

The Indian Hills Environment Committee/volunteers got their hands dirty, really dirty, cleaning up several eye-sores throughout our City. Lee Maddox and Patricia Vairin organized the morning's work; Brightside provided gloves and trash bags.

Construction debris thrown over the edge into the woods

Old trash cans in the woods, among other invasive" items

Vance von Borries, LuAnn George, Lyle Graham, and Vertner Smith

Tires in the creek

We must all work together to not only have a City that is aesthetically pleasing to the eyes, but to also have a safe and healthy environment in which to live. We really can/need to do better than this!!!

CODE OF ORDINANCE—§ 91.03 LITTERING PROHIBITED.

It is unlawful for any person to place, deposit, throw, or dump; or cause to be placed, deposited, thrown, or dumped; or suffer to remain any garbage, cans, bottles, glass, crockery, wood, trees or parts thereof, brush, scrap metal, junk, abandoned automobiles or parts thereof, paper, boxes, carcasses of dead animals, trash, grass, debris, litter, or refuse of any kind whatsoever, in or upon any public or private highway or road, including any portion of the right-of-way thereof, or in or upon any private or public property within the city. Penalty, see § 91.99

A SPECIAL THANKS TO THE MEMBERS OF THE ENVIRONMENT COMMITTEE/VOLUNTEERS!!!

OUR ENVIRONMENT—CONT...

Thank you, Mr. Anonymous!

Recently an Indian Hills resident asked if he could purchase a tree through our Tree Canopy Program, but instead of his front yard (which already is well-planted), could his tree be planted in Sagamore Park? Of course it could!

In addition, this generous resident offered to add EXTRA money, sufficient for a species not among the Program's usual offering. This funding, as well as the City's normal contribution to each planting in the Program, all add up to a new sapling Chinkapin Oak that will one day be a great, beautiful shade tree in Sagamore Park for all to enjoy. Thank you Mr. Anonymous!

Resident Boyd Butler stood tall next to the Chinkapin Oak giant root ball. With Boyd are his Dad Robert, and IH Tree Committee Chair Vance vonBorries.

A planting well done!!!

Chinkapin Oak Trees

University of Kentucky-Department of Horticulture website:

- **Native habitat:** New England to northeastern Mexico on limestone outcrops.
- **Growth habit:** Because this tree has a diverse range, its form varies with location. It tends to have an open, rounded crown.
- **Tree size:** The chinkapin oak can reach a height of 40 to 50 feet in the landscape and 70 to 80 feet in the wild. Spread tends to be equal to or greater than height.
- **Leaf:** Yellow-green above and pale below, the chestnut-like leaves flutter, aspen-like, in the breeze. Fall color is yellow to brown.

Additional information:

The wood of the chinkapin oak has been used for split-rail fences, railroad ties and construction lumber. It is noted historically for its role in fueling steamships along the Ohio River. While this durable wood made excellent fences in Kentucky, Ohio and Indiana, when farms fell by the way, the wooden fences were collected and placed on the riverbank to sell to passing engineers.

2022 Indian Hills Tree Canopy Planting Program

For the 6th continuous year the Tree Committee is offering residents to participate in the Tree Canopy Planting Program.

How does it work? The City of Indian Hills and the resident share the cost of the tree and the services provided by a certified arborist, the total cost being \$500. The City pays \$250 and the resident pays \$250.

The tree must be planted in the front or side yard.

If interested, please fill out the application on the following page and return as instructed by the deadline.

If your name is drawn, you will be contacted with further instructions about the arborist site visit and payment will be required at that time.

Dunn Elementary through the Decades

Dunn Elementary first opened its front doors to students 50 years ago for the 1972-1973 school year. The school is named for Ruth Dunn, who was a supervisor of primary education for the Jefferson County Public Schools. Mrs. Barbara Smith was the first principal.

On September 23, 2022 Dunn Elementary School will celebrate the 50th Anniversary of that momentous time. We are excited to look back at the memories from those years, but more excited to look forward to what the future will bring to Dunn.

We are hoping that former students, their parents, and former teachers would like to become involved in this effort. We will have a celebration the evening of Sept. 23 from 5pm to 7pm. We hope the school community will contribute mementos they have from their Dunn years and we will display them. All items will be returned.

Please contact:

Dr. Tracy Barber, our current principal, at tracy.barber@jefferson.kyschools.us or
Margaret Blackburn, the school secretary, at margaret.blackburn@jefferson.kyschools.us

THANK YOU!!

This November's election, we will be voting for mayor and councilmembers. There are 10 candidates to fill nine seats for council; some are new names, some are currently on the council; but there are some who are presently on the council, and have decided not to run for re-election.

We would like to express our appreciation to LuAnn George, James Giesel, Gary Ulmer and Mimi Zinniel for their dedication and service to better our community. For a number of years, they have given their time, energy and commitment to our City. Their ideas, discussions, enthusiasm and willingness to serve will truly be missed!
